## SPECIALITY BEERS

### from around the world

**Hopfenkönig** (Schloss Eggenberg/Austria) 5.1% 33cl £3.95

Hopfenkönig is a pils style beer with a delicate flavour, fermented and subsequently matured for twelve weeks in the historic cellars of Eggenberg. Eggenberg once belonged to a Benedictine monastery but has since been in the possession of the family Forstinger-Stöhr for over 200 years. Beer has been brewed in Schloss Eggenberg since the 14th century and the 'liquid bread' was produced exclusively for the inhabitants of the area at that time.

**Menabrea 1846** (Menabrea/Italy) 4.8% 33cl £3.75

A premium strength lager beer, with a full flavour and distinctive, light colour. Brewed in Italy's oldest brewery at the foothills of the Italian Alps, this pilsner-style lager is truly a beer drinker's beer. Additive free, it is the only Italian lager still brewed using a completely natural "slow fermentation" process, that makes use of spring water from the Alps and ingredients from the Czech Republic, Germany and France.

**Eastgate Ale** (Weetwood Ales/Cheshire) 4.2% 50cl £5.25

This golden ale from the Cheshire brewery Weetwood is brewed to commemorate the centenary of Chester's Eastgate Clock. The fruity foretaste is followed by a mellow, acceptable finish of hops.

**Westons Organic Cider** (Westons/England) 6.5% 50cl £5.75

Westons have been producing cider in the Herefordshire village of Much Marcle for 125 years. The Organic Cider has won the 2001 IFE Gold Award and been voted "Best Alcoholic Drink" at the Organic Food Awards in 1998, 2003 and 2004. It is an easy drinking cider with a ripe apple aroma and a well balanced fruity flavour.

**Orval Trappist Ale** (Orval/Belgium) 6.2% 33cl £4.95

Orval, often referred to as The Queen of Trappists, was first made in 1931, and has a complex and unusual flavour and aroma produced by a unique strain of yeast. The beer is light in colour, slightly cloudy, and has a large, foamy head. As with all other Trappist breweries, the beer is only sold in order to financially support the monastery and some other good causes. All of the profits from the sale of the beer are distributed to charities and for community development around the region.
